CIRCULAR LETTER TO ALL MEMBER COMPANIES

**Re: Personal Auto Manual Amendment**

By circular letter dated March 31, 1994, our member companies were advised of several changes in the North Carolina Personal Auto Policy Program, including changes under Rule 4.F.2.a(2) in the Personal Auto Manual.

In addition to the previously announced amendments to Rule 4, the following revised "Note" was also approved and was inadvertently omitted from the March 31, 1994 circular letter:

Note: Pickup trucks used to transport a portable camper body or similar living quarters should be rated according to the otherwise regular classification of the vehicle. To rate camper bodies, refer to Rule 19. Miscellaneous Types.

The above "Note" will be included in the revised manual pages distributed by Insurance Services Office in connection with other changes which will be implemented effective January 1, 1995.

Please see to it that this amendment is brought to the attention of all interested personnel in your Company.

Very truly yours,

Charles B. Taylor

Personal Lines Manager
