#### CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Revised Dwelling Fire and Extended Coverage Policy Program Revisions – North Carolina

The Commissioner of Insurance has approved various revisions to the Dwelling Fire and Extended Coverage Policy Program subject to the Rate Bureau's jurisdiction. The revisions include (1) for the Fire Coverage, revisions to the protection/construction relativities and deductibles; (2) for Extended Coverage, revisions to the policy form (seasonal and non-seasonal) relativities and to the deductible options and deductible factors; (3) revised base rates (because the relativity changes are made on an overall revenue-neutral basis); (4) revised Windstorm or Hail exclusion credits; (5) revised Windstorm mitigation credits; and (6) Dwelling manual rule revisions related to the revised deductible options. For a more detailed list of manual revisions please see the attached summary.

As a result of these revisions, please find attached revised (1) deductible factors; (2) deductible rules; (3) Windstorm or Hail exclusion credits; (4) Windstorm mitigation credits; and (5) Fire and Extended Coverage key rates. These exhibits are intended to provide you the information to enable you to make preparations to implement the approved revisions in a timely manner.

The approved revisions are to be implemented in accordance with the following Rule of Application:

These changes are applicable to all new and renewal policies effective on or after January 1, 2017.

Reprinted dwelling manual pages will be distributed in the usual manner as soon as possible. In the meantime, notice of the changes should be sent as soon as possible to your company's North Carolina agents to make them aware of the revisions.

In connection with the implementation of these revisions, your attention is directed to G.S. 58-36-30(a), which provides in part as follows:

"...no insurer and no officer, agent,, or representative of an insurer shall knowingly issue or deliver or knowingly permit the issuance or delivery of any policy of insurance in this State that does not conform to the rates, rating plans, classifications, schedules, rules and standards made and filed by the Bureau. An insurer may deviate from the rates promulgated by the Bureau if the insurer has filed the proposed deviation with the Bureau and the Commissioner, if the proposed deviation is based on sound actuarial principles, and if the proposed deviation is approved by the Commissioner."

Likewise, your attention is directed to G.S. 58-36-45, which provides in part as follows:

"Whenever an insurer changes the coverage other than at the request of the insured or changes the premium rate, it shall give the insured written notice of such coverage change or premium rate change at least 15 days in advance of the effective date of such change or changes with a copy of such notice to the agent. This section shall apply to all policies and coverages subject to the provisions of this Article..."

It is our opinion that providing an insured and agent, at least 15 days in advance of the effective date, of a renewal policy, renewal certificate, billing or endorsement showing revised rates, together with a notice such as referred to below, complies with this statutory requirement. A notice should accompany such renewal policies, certificates, endorsements or billings as they become subject to the revised rates, which notice may, in our opinion, be in a form at company option (printed notice, stamp notice, stick-on label, etc.), and the suggested language is as follows:

#### NOTICE OF RATE CHANGE - NORTH CAROLINA

The premium for this policy reflects changes in rates applicable to North Carolina placed into effect under the provisions of Article 36, Chapter 58 of the North Carolina General Statutes.

It is important that each company establish procedures that will insure continued compliance with the above cited 15 day advance notice requirement.

Please see to it that this circular letter is brought to the attention of all interested personnel in your company.

Very truly yours,

F. Timothy Lucas

Personal Lines Manager

# North Carolina Revised Rating Rules

## **About This Filing**

### **Revised Rules**

We are revising the following rules in the North Carolina Rate Pages:

- Rule **A3.** Windstorm or Hail Exclusion Territories 07, 08, 48, 49 and 52 only is revised to provide updated Building and Contents windstorm or hail exclusion credits for Territories 07, 08, 48, 49 and 52;
- Rule A9. Windstorm Mitigation Program is revised to provide updated windstorm loss mitigation credits for Coverage A Dwelling and Coverage C Personal Property;
- Rule 301. Base Premium Computation to provide updated rates for Nonseasonal and Seasonal Coverages for Owner-occupied and Non-owneroccupied key premiums for various territories; and
- Rule 404. Mobile or Trailer Homes DP 00 01 only to provide factors for Fire and Extended Coverage.

In addition, we are revising Rule **406.** Deductibles in the North Carolina Exception Pages to:

- revise the Dwelling Base Deductible from \$250 to \$500;
- introduce new deductible factors for the \$250 option;
- revise deductible factors for the current all perils deductible options of \$100, \$1,000 and \$2,500 and for the current Windstorm or Hail and Named Storm deductible options;
- introduce additional optional higher all perils deductibles, for Fire and Extended Coverage, of \$5,000, \$7,500 and \$10,000;
- introduce, for all new and revised options for all coverages except Coverage C Personal Property, deductible factors that will vary by Amount of Insurance thresholds of: up to \$125,000, \$125,001 to \$175,000, \$175,001 to \$250,000, and \$250,001 and above;
- introduce, for new and revised all perils deductible options, separate deductible factors for Coverage C Personal Property;
- introduce, for Coverage C Personal Property for optional higher percentage or fixed-dollar options for Windstorm or Hail, deductible factors that vary by windstorm or hail deductible; introduces additional optional higher

percentage deductibles, for Extended Coverage, of 7.5% and 10% for Windstorm or Hail;

- introduce additional optional higher fixed-dollar deductibles, for Extended Coverage, of \$7,500 and \$10,000 for Windstorm or Hail;
- introduce additional optional higher percentage deductibles, for Extended Coverage, of 7.5% and 10% for Named Storm; and
- introduce optional higher Named Storm fixed-dollar deductibles for certain coastal territories.

### **New Rules**

We are introducing an exception to Rule **401.** in the North Carolina Exception Pages to update the Superior Construction Factors.

### **RULE 401.**

#### **SUPERIOR CONSTRUCTION**

Table **401.C.** is replaced by the following:

Classifications	<u>Fire</u>	E.C., Broad & Special Forms
Fire Resistive & Masonry Non-Combustible	<u>.50</u>	<u>.75</u>
Non-Combustible	<u>.50</u>	<u>1.00</u>

**Table 401.C. Superior Construction Factors** 

RULE 404.
MOBILE OR TRAILER HOMES – (DP 00 01)

Use the Multiply the Frame Construction, One Family, Coverage A or C, Frame Base Premium by .9 for Fire and 1.25 for Extended Coverage.

#### RULE 406. DEDUCTIBLES

The introductory text in Rule 406. preceding Paragraph A. is replaced by the following:

All policies are subject to a deductible that applies to loss from all perils, except Earthquake. A separate deductible type applies to Earthquake Coverage <u>as described in Rule **509**</u>.

Refer to the Earthquake Coverage rule for the applicable deductible provision.

#### A. Base Deductible

\$500 Deductible.

#### **B.** Optional Deductibles

#### 1. All Perils Deductibles

To compute the premium for these options, multiply the Base Premium for the Base Deductible by the factors selected from the following tables:

Table 406.B.1. is replaced by the following:

Deductible	<del>Factors</del>
\$ <del>100*</del>	<del>1.05</del>
<del>500</del>	<del>.95</del>
<del>1,000</del>	<del>.89</del>
<del>2,500</del>	<del>.81</del>

Refer to state rates for the minimum annual additional premium charge that applies per location for all \$100 Perils Deductibles.

**Table 406.B.1. All Perils Deductibles**

	Broad And Special Forms		
Deductibles			

<u>Table 406.B.1.#6 E.C., V. & M.M., Broad And Special</u> <u>Forms Coverage C Deductibles</u>

Paragraph B.2.a.(6) is deleted and replaced by the following:

#### **B. Optional Deductibles**

#### 2. Windstorm Or Hail Deductibles

When the policy covers the peril of Windstorm or Hail, the following deductible options may be used in conjunction with a deductible applicable to all other perils covered under Extended Coverage, Broad or Special Forms. They may not be used on a policy in conjunction with a Named Storm deductible as described in Paragraph 3.

#### a. Percentage Deductibles

#### (1) Deductible Amounts

This option provides for higher Windstorm or Hail percentage deductibles of 1%, 2%, 5%, 7.5% and 10% of the limit of liability that applies to Coverage A, B, D or E, whichever is greatest, when the dollar amount of the percentage deductible selected exceeds the amount of the All Other Perils deductible. This option is not available for policies covering only personal property.

#### (2) Endorsement

Use Windstorm Or Hail Percentage Deductible Endorsement DP 03 12.

#### (3) Declarations Instructions

Enter, on the policy Declarations, the percentage amount that applies to Windstorm or Hail and the dollar amount that applies to All Other Perils. For example:

Deductible – Windstorm or Hail 2% of the Coverage A limit and \$500 for All Other Perils.

#### (4) Deductible Application

In the event of a Windstorm or Hail loss to covered property, the dollar amount is deducted from the total of the loss for all coverages.

#### (5) Coverage Options

The deductible factors for Coverage A, B, D or E and Coverage Options For Buildings And Non-building Structures differ by the deductible percentage amounts that apply to Windstorm or Hail, deductible amounts that apply to other perils, and the Coverage A, B, D or E limit.

The deductible factors for Coverage **C** and Other Personal Property Coverage Options differ by the deductible percentage amounts that apply to Windstorm or Hail and the deductible amounts that apply to other perils.

#### (6) Use Of Factors

The factors for the Windstorm or Hail Deductibles incorporate the factors for the All Perils Deductibles. Do not use the factors for the All Perils Deductibles when rating a policy with a higher Windstorm or Hail deductible.

#### (76) Deductible Factors

In Territories 07, 08, 48, 49 and 52 Only, wWhen the property is located in an area serviced by the North Carolina Insurance Underwriting Association (NCIUA - Territories 07, 08, 48, 49 and 52), additional calculations must be performed to ensure that the premium credit applied to the deductible is **not** greater than the premium credit that would be applied if the peril of Windstorm or Hail were excluded from the policy.

#### (a) Property Not Located in Area Serviced by the NCIUA

To compute the premium for this provision, multiply the Extended Coverage, Broad or Special Form Base Premium for the Base Deductible for each coverage insured under the policy by the factor selected for the desired windstorm or hail deductible options from the following tables.

#### (b) Property Is Located in Area Serviced by the NCIUA

To determine if an "adjusted deductible credit" or the calculated deductible credit applies, complete each of the following steps:

- Step 1. Multiply the windstorm or hail exclusion credit shown in the state rates, under Additional Rule
  A3. Windstorm Or Hail Exclusion, by the Key Factor, for the same amount of insurance used to determine the Extended Coverage, Broad or Special Form Base Premium.
- Step 2. Multiply the result determined in Step 1. by .9 to determine the "adjusted deductible credit".
- Step 3. Select the factor for the desired windstorm or hail deductible option from the following tables and subtract the factor from unity (1.00).
- Step 4. Multiply the factor determined in Step 3. by the Extended Coverage, Broad or Special Form Base Premium. The result is the windstorm or hail deductible credit.
- Step 5. Compare the results in Steps 2. and 4. If the result in:
  - Step 2. is less than the result in Step 4., to compute the premium, subtract the "adjusted deductible credit" from the Extended Coverage, Broad or Special Form Base Premium.

Step 2. is greater than or equal to Step 4., multiply the Extended Coverage, Broad or Special Form Base Premium by the factor for the desired windstorm or hail deductible option.

Table 406.B.2.a.(7)#4 Coverage C And Other Personal Property Windstorm Or Hail Percentage Deductibles

Paragraph B.2.b.(5) is replaced by the following:

#### b. Higher Fixed-Dollar Deductibles

#### (1) Deductible Amounts

This option provides for higher Windstorm or Hail fixed-dollar deductible amounts of \$1,000, \$2,000, \$5,000, \$7,500 and \$10,000 when the dollar amount of the higher fixed-dollar deductible selected exceeds the amount of the All Other Perils deductible. This option is not available for policies covering only personal property.

#### (2) Endorsement

An endorsement is not required.

#### (3) Declarations Instructions

Separately enter, on the policy Declarations, the deductible amounts that apply to Windstorm or Hail and All Other Perils. For example: \$1,000 for Windstorm or Hail and \$500 for All Other Perils.

#### (4) Deductible Application

In the event of a Windstorm or Hail loss to covered property, the dollar amount is deducted from the total of the loss for all coverages.

#### (5) Coverage Options

The deductible factors for Coverage A, B, D or E and Coverage Options For Buildings And Non-building Structures differ by the deductible amounts that apply to Windstorm or Hail and to other perils and the Coverage A, B, D or E limit.

The deductible factors for Coverage **C** and Other Personal Property Coverage Options differ by the deductible amounts that apply to Windstorm or Hail and other perils.

#### (6) Use Of Factors

The factors for the Windstorm or Hail Deductibles incorporate the factors for the All Perils Deductibles. Do not use the factors for the All Perils Deductibles when rating a policy with a higher Windstorm or Hail deductible.

#### (75) Deductible Factors

In Territories 07, 08, 48, 49 and 52 Only, wWhen the property is located in an area serviced by the North Carolina Insurance Underwriting Association (NCIUA) - Territories 07, 08, 48, 49 and 52), additional calculations must be performed to ensure that the premium credit applied to the deductible is **not** greater than the premium credit that would be applied if the peril of Windstorm or Hail were excluded from the policy.

(a) Property Not Located in Area Serviced by the NCIUA

Multiply the Extended Coverage, Broad or Special Form Base Premium for the Base Deductible for each coverage insured under the policy by the factor selected for the desired windstorm or hail deductible options from the following tables.

(b) Property Is Located in Area Serviced by the NCIUA

To determine if an "adjusted deductible credit" or the calculated deductible credit applies, complete each of the following steps:

- Step 1. Multiply the windstorm or hail exclusion credit shown in the state rates under Additional Rule A3.
   Windstorm Or Hail Exclusion, by the Key Factor, for the same amount of insurance used to determine the Extended Coverage, Broad or Special Form Base Premium.
- Step 2. Multiply the result determined in Step 1. by .9 to determine the "adjusted deductible credit".
- Step 3. Select the factor for the desired windstorm or hail deductible option from the following tables and subtract the factor from unity (1.00).
- Step 4. Multiply the factor determined in Step 3. by the Extended Coverage, Broad or Special Form Base Premium. The result is the windstorm or hail deductible credit.
- Step 5. Compare the results in Steps 2. and 4. If the result in:

Step 2. is less than the result in Step 4., to compute the premium, subtract the "adjusted deductible credit" from the Extended Coverage, Broad or Special Form Base Premium.

Step 2. is greater than or equal to Step 4., multiply the Extended Coverage, Broad or Special Form Base Premium by the factor for the desired windstorm or hail deductible option.

Table 406.B.2.b.(7)#4 Coverage C And Other Personal Property Windstorm Or Hail Fixed-dollar Deductibles

The following is added to Paragraph B .:

- 3. Named Storm Percentage Deductibles Territories 07, 08, 48, 49 And 52 Only
- 3. Named Storm Deductibles Territories 07, 08, 48, 49 and 52

When the policy covers the peril of Windstorm or Hail, the following deductible options may be used in the listed territories in conjunction with the deductible applicable to all other Perils under Extended Coverage, Broad or Special Forms. They may not be used on a policy in conjunction with a Windstorm or Hail deductible as described in Paragraph 2.

#### a. Percentage Deductibles - Territories 07, 08, 48, 49 and 52 Only

#### (1)a. Deductible Amounts

The Named Storm Percentage Deductible option is used in conjunction with a deductible applicable to all other perils.

This option provides for higher Named Storm percentage deductibles of A percentage amount of 1%, 2%, er-5%, 7.5% and 10% of the limit of liability that applies to Coverage A, B, C, D or E, limit of liability, whichever is greatest, is available when the dollar amount of the percentage deductible selected exceeds the amount of the All Other Perils deductible, applicable to all other perils. This option is not available for policies covering only personal property.

#### (2)b. Endorsement

Use Named Storm Percentage Deductible - North Carolina Endorsement DP 03 60DP 32 18.

#### (3)c. Schedule Declarations Instructions

Enter, on the policy Declarations, the Endorsement **DP 03 60** or the policy declarations the percentage amount that applies to Named Storm and the dollar amount that applies to All Other Section I Perils. For example:-

Deductible – Named Storm 2% of Coverage A limit and \$500 for all other perils.

#### (4)d. Deductible ApplicationLoss By Windstorm That Is A Named Storm

In the event of <u>a Named Storm loss</u> to covered property, the dollar amount is deducted from the total of the loss for all coverages.

#### (5) Coverage Options

The deductible factors for Coverage A, B, D or E and Coverage Options For Buildings and Non-building Structures differ by the deductible percentage amounts that apply to Named Storm, deductible amounts that apply to other perils and the Coverage A, B, D or E limit.

The deductible factors for Coverage **C** and Other Personal Property Coverage Options differ by the deductible percentage amounts that apply to Named Storm and the deductible amounts that apply to other perils.

#### (6) Use Of Factors

The factors displayed in Paragraph (7) incorporate the factors for the All Perils Deductibles. Do not use the factors for the All Perils Deductibles when rating a policy with a higher Named Storm deductible.

#### (7)e. Deductible Factors

The factors displayed below incorporate the factors for the All Perils Deductibles shown in Paragraph B.1. Do **not** use the factors for the All Perils Deductibles when rating a policy with a higher Named Storm deductible.

When the property is located in an area serviced by the North Carolina Insurance Underwriting Association (NCIUA – Territories 07, 08, 48, 49 and 52), aAdditional calculations must be performed to ensure that the premium credit applied for the deductible is **not** greater than the premium credit that would be applied if the peril of Windstorm or Hail were excluded from the policy.

To determine if an "adjusted deductible credit" or the calculated deductible credit applies, complete each of the following steps:

- Step 1. Multiply the windstorm or hail exclusion credit shown in the state rate pages, under Additional Rule A3. Windstorm Or Hail Exclusion Territories 07, 08, 48, 49 And 52 Only, by the Key Factor, for the same amount of insurance used to determine the Extended Coverage, Broad or Special Form Base Premium.
- Step 2. Multiply the result determined in Step 1. by .9 to determine the "adjusted deductible credit".

- Step 3. Select the factor for the desired named storm deductible option from the following table and subtract that factor from unity (1.00).
- Step 4. Multiply the factor determined in Step 3. by the Extended Coverage, Broad or Special Form Base Premium. The result is the named storm deductible credit.
- Step 5. Compare the results in Steps 2. and 4. If the result in:
  Step 2. is less than the result in Step 4., to compute the premium, subtract the "adjusted deductible credit" from the Extended Coverage, Broad or Special Form Base Premium.
  Step 2. is greater than or equal to the result in Step 4., multiply the Extended Coverage, Broad or Special Form Base Premium by the factor for the desired named storm deductible option.

#### Table 406.B.3.a.(7)#2 Coverage C And Other Personal Property Named Storm Percentage Deductibles

#### b. Higher Fixed-dollar Deductibles - Territories 07, 08, 48, 49 and 52 Only

#### (1) Deductible Amounts

This option provides for higher Named Storm Fixed-dollar deductible amounts of \$1,000, \$2,000, \$5,000, \$7,500 and \$10,000 when the dollar amount of the higher fixed-dollar deductible selected exceeds the amount of the All Other Perils deductible. This option is not available for policies covering only personal property.

#### (2) Endorsement

Use Named Storm Deductible - North Carolina Endorsement DP 32 18.

#### (3) Declarations Instructions

Enter, on the policy Declarations, the deductible amounts that apply to Named Storm and All Other Perils. For example: \$1,000 for Named Storm and \$500 for All Other Perils.

#### (4) Deductible Application

In the event of a Named Storm loss to covered property, the dollar amount is deducted from the total of the loss for all coverages.

#### (5) Coverage Options

The deductible factors for Coverage A, B, D or E and Coverage Options For Buildings And Non-building Structures differ by the deductible amounts that apply to Named Storm and to other perils and the Coverage A, B, D or E limit.

The deductible factors for Coverage **C** and Other Personal Property Coverage Options differ by the deductible amounts that apply to Named Storm and to other perils.

#### (6) Use Of Factors

The factors displayed in Paragraph (7) incorporate the factors for the All Perils Deductibles. Do not use the factors for the All Perils Deductibles when rating a policy with a higher Named Storm deductible.

#### (7) Deductible Factors

When the property is located in an area serviced by the North Carolina Insurance Underwriting Association (NCIUA – Territories 07, 08, 48, 49 and 52), additional calculations must be performed to ensure that the premium credit applied for the deductible is not greater than the premium credit that would be applied if the peril of Windstorm or Hail were excluded from the policy.

To determine if an "adjusted deductible credit" or the calculated deductible credit applies, complete each of the following steps:

#### **NORTH CAROLINA (32)**

### DWELLING POLICY PROGRAM MANUAL EXCEPTION PAGES

- Step 1. Multiply the windstorm or hail exclusion credit shown in the state rate pages, under Additional Rule

  A3. Windstorm Or Hail Exclusion

   Territories 07, 08, 48, 49 And 52

  Only, by the Key Factor, for the same amount of insurance used to determine the Extended Coverage, Broad or Special Form Base Premium.
- Step 2. Multiply the result determined in Step 1. by .9 to determine the "adjusted deductible credit".
- Step 3. Select the factor for the desired named storm deductible option from the following table and subtract that factor from unity (1.00).
- Step 4. Multiply the factor determined in Step 3. by the Extended Coverage, Broad or Special Form Base Premium. The result is the named storm deductible credit.
- Step 5. Compare the results in Steps 2.
  and 4. If the result in:
  Step 2. is less than the result in
  Step 4., to compute the premium,
  subtract the "adjusted deductible
  credit" from the Extended
  Coverage, Broad or Special Form
  Base Premium.
  Step 2. is greater than or equal
  to the result in Step 4., multiply
  the Extended Coverage, Broad or
  Special Form Base Premium by
  the factor for the desired named
  storm deductible option.
