CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation September Data Error and Rejected  
Transaction Fines

To ensure that member companies are not adversely impacted by our recent system updates, the Bureau will not issue September fines for Data Errors or Rejected Transactions. However, fines will be assessed for September Late Data and USR's. All of the fining will resume for the month of October.

Please share this information with all impacted parties within your company.

If you have any questions regarding the fining process, contact the Information Center at 919-582-1056 or email at [wcinfo@ncrb.org](mailto:wcinfo@ncrb.org).

Sincerely,
