CIRCULAR TO ALL MEMBER COMPANIES

Re: Workers Compensation Insurance
Unit Statistical Reports
Release of BEEP 2.0

Attached is a copy of an announcement from American Cooperative Council on Compensation Insurance (ACCCT) regarding a new release of the Bureau Entry and Edit Package (BEEP).

The updated version, BEEP 2.0, permits extensive editing of unit statistical data in each of the ACCCT jurisdictions, and now permits compilation of data for all other non-monopolistic states, but with fewer validation checks.

Carriers using BEEP to report North Carolina data to NCCI should experience no data quality edit failures. NCCI will release a Circular Letter that provides some additional information regarding their reporting requirements for using BEEP 2.0. If you have any questions, please contact NCCI's Customer Service Center.

BEEP 2.0 will be distributed free of charge to all licensed workers compensation insurers. Registered users will automatically receive the new release.

If you are not a registered user and would like a copy of BEEP 2.0, or if you have any questions, contact Joan Robinson by telephone [(919) 783-9790] or by e-mail (jgr@ncrb.org).

Very truly yours,
