Re: Item ASWG(NC) - Workers Compensation Statistical Plan

The Bureau has adopted and the North Carolina Department of Insurance has approved a proposal to introduce a revised and expanded unit report.

In addition to the [Filing Memorandum](#), the following documents are enclosed:

[Exhibit A](#) - Data Element Amendments.

Exhibit B - A copy of the Unit Statistical Report which will be used for first, subsequent and correction reports.

Exhibit C - A copy of the Supplemental Loss Report which may be used as a supplement to the first report, as a loss correction report or as a subsequent report.

Exhibit D - ASWG Unit Report Data Element Coding Specifications which describe each of the data elements on the new unit statistical report.

Exhibit E - ASWG Coding Specifications - Additional Definitions which provide expanded definitions for many of the data elements.

Changes in the unit statistical report have been approved to become effective on an optional basis for policies effective January 1, 1995 through December 31, 1995 and on a mandatory basis for all policies effective on and after January 1, 1996.

Very truly yours,

Jerry G. Hamrick
