CIRCULAR LETTER TO ALL MEMBER COMPANIES

**Re: Introduction of Insurance Services Office (ISO)
Building Code Effectiveness Grading Schedule**

The Commissioner of Insurance has recently approved the new ISO Building Code Effectiveness Grading Schedule for use with the property lines of insurance under the Rate Bureau's jurisdiction. This schedule was previously filed and approved for use with the lines of insurance not subject to the jurisdiction of the Rate Bureau.

The filing which was approved to become effective March 21, 1995 included only the introduction of the new schedule. The Rate Bureau is not distributing copies of the schedule with this circular letter; however, a copy will be furnished upon written request.

Please see to it that this circular letter is brought to the attention of all interested personnel in your Company.

Very truly yours,

Charles B. Taylor
