CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation Insurance  
Loss Cost and Assigned Risk Rate Filings

North Carolina Senate Bill 744 was recently enacted into law, and contains a provision that limits workers compensation reimbursement for prescription drugs. In order to incorporate the impact of this legislation into our annual Loss Cost and Assigned Risk Rate Filings for Workers Compensation, we requested – and the Commissioner has approved – a delay in filing of up to 30 days.

The Bureau will make the Loss Cost and Assigned Risk Rate filings for Workers Compensation on or before September 30, 2014.
