
**OTHER CONTINENTAL SHELF LANDS ACT COVERAGE ENDORSEMENT
INSTRUCTION SHEET**

1. The Outer Continental Shelf Lands Act makes Longshore and Harbor Workers Compensation Act applicable to work involving the development from fixed platforms of the natural resources of the Outer Continental Shelf.
2. This endorsement is used to provide workers compensation insurance and employers liability insurance for work on the Outer Continental Shelf subject to the Longshore and Harbor Workers Compensation Act.
3. The description of the work being performed must show the state whose boundaries, if extended to the Outer Continental Shelf, would include the location of the work.
4. The Maritime Coverage Endorsement is to be used to exclude or include coverage for masters and members of the crews of vessels.
