CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: In-Force Policy Count
As of October 1, 2012

The attached two-page exhibit shows the count of Facility policies In-Force as of October 1, 2012.

Using an updated methodology, the total in-force policy count is down - .30% from October 1, 2011 — a decrease of -.27% for non-fleet private passenger policies and a decrease of -1.17% for all other than private passenger policies.

With the transition to EDGE, we have made improvements in our management system that result in a more accurate report, which better reflects cancellation, reinstatement and withdrawal activity. However, in this process there could appear to be unusual variances for individual carriers in their in-force counts making year-to-year comparisons difficult between 2010 and later years.

If you have any questions about this report, please call Bill Benton, Business Operations Analyst at 919-645-3187 or email him at web@ncrb.org.

Sincerely,

Edith T. Davis

Director, Reinsurance Facility
